SUMMARY — I am a 20-year-old Computer Security Student at the NSBM Green University from Colombo, Sri Lanka. Possess knowledge of cybersecurity tools. Keen to pursue a career in the networking and security field as a cybersecurity engineer/researcher.

TECHNICAL COMPETENCIES

Languages: Sinhala, English
Security-Tools: Linux, BurpSuite, Wireshark, Metasploit, Docker, Nmap

Programming: Python, JavaScript, Java, C, CSharp, SQL and PHP
Non-Tech: Quick learner, Teamwork, Problem-Solving

EDUCATION

BSc (Hons) Computer Security

Sep 2022 – Sep 2025

Plymouth University, United Kingdom

First-Year Modules

Intro to Computer Science - A
Programming in C - A
Mathematics for Computing - A(-)
Database Management System - A
Web Application Development - A(-)
Computer Architecture - B(-)
Data Structures & Algorithms - A(-)
System Analysis & Design - B(+)
OOP with C# - A

Second-Year Modules

Information Retrieval & Management - 69.50
Software Engineering 2 - 64.20
Introduction to IoT - 64.00
Computing Group Project - TBA
Security Architecture & Cryptography - 80.60
Computer Networks - 74.00

Foundation Programme for Bachelor's Degree

Sep 2021 – Sep 2022

NSBM Green University, Sri Lanka

Grades - A(+)-4, A-3, B(+)-3

GCE Ordinary Level

Jan 2010 – Dec 2020

DS Senanayake College, Colombo, Sri Lanka

Grades - A-4, B-2, C-3

Certifications

Cisco - Introduction to Cybersecurity	Cisco - Networking Basics
LinkedIn - Cybersecurity Awareness: Cloud Security	Sololearn - Python Intermediate
LinkedIn - Cybersecurity Awareness: The Internet of Things	LinkedIn - Learning Linux Command Line
Cisco - Networking Devices and Initial Configuration	LinkedIn - JavaScript Essential Training

CLUBS AND SOCIETIES

Assistant Secretary of Events - CSSL GenZ Chapter of NSBM Green University

Jul 2023 – Present

- Organized and coordinated events, including networking sessions and workshops.
- Contributed to the club's recognition as a top university club within its first year.
- Demonstrated strong event planning, management, and coordination skills.
- Gained experience in hybrid event formats.

HOBBIES AND INTERESTS

- Constantly learning about cybersecurity from TryHackMe, HackTheBox, etc.
- Currently doing the Junior Cybersecurity Analyst and Ethical Hacker courses on Cisco.
- Participating in CTF challenges to put the skills to the test.
- Coding and learning new programming languages.
- Sports: Baseball, Cricket, Basketball, Badminton.
